1	INTRODUCTION
1.1	These are the Competition By-Laws of the Bankstown District Amateur Football Association Incorporated.
1.2	These By-Laws may be altered at a meeting of the Annual Presidents & Secretaries of Clubs affiliated to the BDAFA. Changes to By-Laws will operate from the year after that in which they are altered. An alteration to any part of these By-Laws for the current season may be made by a motion that is passed and seconded and has majority of attending clubs approval. This motion is only current for the season in which it is passed.
1.3	The By-Laws will be circulated to Clubs at the 1st Delegates.
1.4	These By-Laws are to be prominently displayed by Clubs. Clubs will be held responsible for notifying each member, Coach and Manager of their contents.
1.5	If BDAFA conducts any competition jointly with another body these By-Laws may be amended, replaced or ignored and other By-Laws adopted for the purpose of that competition at the MC's discretion
1.6	All Clubs must obtain BDAFA's approval before playing in matches outside BDAFA. The Football NSW Ltd. Insurance Scheme will only apply to matches/training sanctioned by BDAFA.
1.7	Clubs and their members are bound by the MC's implementation of these By-Laws.
1.8	Except in cases of verbal or physical abuse or abandoned matches any Club, Club Official, Team or Player who fails to obey these By-Laws or a direction of the MC is liable to a fine of \$50 unless another penalty is specified in these By-Laws.
1.9	The MC may suspend or expel any Club or Club member guilty of a breach of these By-Laws.
1.10	Only information written on BDAFA letterhead and signed by the Secretary of BDAFA or in the absence of the Secretary the President of BDAFA will be deemed to be BDAFA's answer to any question regarding the implementation of these By-Laws.
1.11	All clubs must be able to send and receive information to and from BDAFA via email. Club Recorders and Registrars must also be able to send information to BDAFA via email. "All official correspondence sent and received by secretary of the club and BDAFA will be acknowledge with a receipt of acceptance"
1.12	All Clubs must provide BDAFA with the telephone number of their ground facilities under "Duty of Care". Failure to provide contact number will result in no games being set for those grounds.
1.13	Football NSW will be advised of all persons suspended by BDAFA and who have received sentences longer than 8 weeks/matches/rounds.
2	BONDS / ABANDONNED GAMES & SERIOUS MISCONDUCT
2.1	At the AGM of each year each Club will lodge a \$100 Bond which will be deposited in a specific account for this purpose.
2.2	If a club forfeits its bond, the MC will set the value of a new bond, which will not exceed twice the bond forfeited. The Club must pay their new bond to BDAFA prior to playing any further matches. The Club's teams will be deemed to be forfeiting all matches until the new bond is paid.

2.3	If a Club does not affiliate with BDAFA at the AGM of the current season their Bond will be returned.
2.4	Where the MC is concerned about breaches of Competition By-laws and/or accepted standards of behaviour by a Club or Club Team, the MC will place the offending Club or Club Team on either a special Good Behaviour Bond of \$1,500 or suspend them from the Association for the remainder of the season. Any further breaches after a bond is placed on that club or club team will incur a mandatory removal of the Club or Club Team from the competition. The special bond is to stand for one (1) year from the date imposed and will be refunded to the Club if the MC is satisfied that the Club is meeting all its obligations.
2.5	Abandoned Matches
	The MC will make all determinations on the outcomes of matches abandoned for any reason. The GPT will submit recommendations to the MC regarding any matches that are subject of GPT inquiries.
2.5a	The MC will determine whether an abandoned game is restarted, continued, or not completed.
2.5b	The MC will decide whether points and/or goals are awarded to either or neither team.
2.5c	Games to be restarted or continued must be played within 2 weeks of the original game.
2.5d	Only the players listed on the original team sheets may participate in the restarted or continued game. If the original match was abandoned due to player injury, that injured player ONLY may be replaced in the restarted or continued match subject to proper notification as follows: Club Secretary must notify BDAFA Secretary in writing, accompanied by a Doctor's Certificate confirming the inability of the player to participate in the match; notification must be prior to 4:00pm on the Monday preceding the restarted or continued match. The MC will then make the final determination on who may participate in the restarted or continued match. i) A restarted or continued match does not count as a match served against suspensions specified in rounds. ii) A player suspended at the time of a restarted or continued match is not eligible to play in the match.
2.5e	If the restarted or continued match has more than half its duration remaining to play, full referee fees must be paid if official referees are appointed. If the match has less than half its duration remaining to play, half the fees will be paid if official referees are appointed.
2.6	Any team or squad found guilty by the MC or GPT of any of the following: <ul style="list-style-type: none"> ▪ bringing the game into disrepute ▪ serious misconduct ▪ causing an abandoned game for the second time in a season may be removed from the competition for the remainder of the season. This does not preclude removal after the first incident if deemed necessary.
2.6a	Actions by one team in a squad will be deemed to affect both or all teams in that squad.
2.6b	A team found guilty of causing a game to be abandoned and/or of serious misconduct will be penalised 3 competition points, and no 'goals for' will be awarded to the offending team for that game.
3	STRUCTURE OF COMPETITIONS
3.1	The Competition Secretary in conjunction with the MC will have control over all matches in which its affiliated Clubs participate and will arrange matches as it deems fit. The matches will be either; <ul style="list-style-type: none"> (a) The BDAFA Premiership (b) Other BDAFA organised round robins or matches, including Non Competitive Soccer. The MC may conduct such competitions (eg seven-a-side) by issuing variations to these By-Laws. However, these By-Laws will prevail if no variation exists. (c) BDAFA organised Knock-Outs.

	(d) BDAFA sanctioned matches. These include trial and gala matches for which BDAFA approval has been given and matches otherwise sanctioned by the Football NSW Ltd
	(e) Any alterations to the draw after Thursday night will be published to club secretaries by email and clubs to be notified by phone call or txt
3.2	It will be obligatory for all clubs to participate in the Premiership. (Premiership includes Round matches, Finals series.)
3.3	Clubs must gain BDAFA's approval to conduct Knockouts and/or Gala Days. Applications must state the age group(s), date of event and alternate dates should the original day be postponed. More than one such KO/Gala Day in the same age group may be held on the same day. Clubs participating in Club run KO's/Gala Days must give BDAFA two-weeks notice of their participation. BDAFA organized matches will take precedence over Club KO's/Gala Days.
3.4	The Competition Secretary may abandon or restructure any competition.
3.5	The Competition Secretary may conduct any further competition it deems necessary to complete the season.
3.6	Entrance fees for teams and fees for players in all competitions will be fixed by the President and Secretaries meeting each year.
3.7	Teams may not arrange matches without consulting the BDAFA Competition Secretary.
3.8	Grade 6, 7, 8, 9 & 10 will be non-competitive and conducted in accordance with the FFA rules of Small-Sided Football published as at 31st January of the current year.
3.9	All competitions, except G35, shall be open to players whose age range is determined as being from the 1st day of January to 31st day of December in the year of the competition. A player must have passed his 35th birthday to be eligible for registration in a G35 team.
3.10	Where possible "All competitive grades shall have a minimum of an 8 team for division one and minimum of six team for all other divisions". However depending on team numbers final grading will be at the discretion of BDAFA.
3.10a	The Competition Secretary will seek to form a Grading Committee (GC) comprised of BDAFA and Club members.
4	PREMIERSHIP FORMAT
4.1	Teams from G11 to G35 will participate in the Premiership in their respective age groups & divisions. For Ladies only G12 to AAL there will be competitions conducted. No interchange to be permitted between Boys' and Ladies' competitions.
4.1a	"One division of G35 and one division each of all age Ladies and all age men may be played as non-competitive football. These divisions are in addition to all other divisions in those age groups and do not replace any. No finals series is to be scheduled; teams play each other on a round robin basis until the end of the regular season. This is only necessary where four or more teams per division register interest in non-competitive football".
4.2	Each team will play all matches against all other teams in their age/division at least twice. However in the event of wet weather this may not apply and rounds may need to be shortened.
4.3	Any games not played to the satisfaction of the MC must be made up within a two (2) week span and not at the end of the competition. Games washed out due to bad weather not played within two weeks of the original fixture will not be played later. Matches from rounds not fully washed-out, and any subject of GPT investigations, may be exempt from this rule at the discretion of the MC. Rescheduled matches may be played at night where necessary.
4.4	The Competition Secretary will issue Clubs with copies of the Premiership draw. All teams' games will be allocated to fields generally on a home and away basis. Each field will be divided into time slots. Games will be allocated to these time slots. Excess games will be allocated to other fields. Clubs have one week only from issue of this draw to notify the Competition Secretary of any discrepancies or advise the Competition Secretary of any dates for which deferments may be sought. At the end of this period the draw will be finalised and no further alterations will be allowed unless a clash of game locations is discovered.
4.5	Matches will only be played on Sundays;
	(a) In the Ladies competitions
	(b) In 10 team competitions

	(f) A forfeit – three points and three "goals for" to the winning team, no points and three "goals against" to the losing team.
4.7	If a team withdraws or is suspended from the competition by the MC, points awarded to that team's opponents and goals scored & conceded by that team will remain in if the first (1st) round has been completed by all teams. All second (2nd) round games become a bye.
4.8	Once all matches have been played as per By-Law 4.2, there will be a Final Series among the four teams with the highest number of points within that age division.
4.9	"Where teams finish on equal competition points their respective places will be decided by goal difference. Goal difference is calculated by subtracting the number of goals against from the number of goals for. The team with the higher goal difference will be the higher ranked team". If goal differences are equal than the higher goals for will be the higher ranked team if the goals for are equal then head to head results from that season will determine the higher ranked team if the teams are still equal than the higher ranked team will be at discretion of BDAFA.
4.10	To be eligible to play in the Final Series a player must have played in three Premiership matches prior to the Final Series for the team in which they are registered. Substitutes will only be deemed to have played when the team sheet clearly shows this as per By-Laws 22.5. During the Final Series a player can only play for the team in which they are registered. A team who has played a player who has not played three (3) games prior to the final series is then deemed to be ineligible and Rule 7.4 applies.
4.11	All matches in the Final Series must be under the control of an Official Referee.
4.12	The format for the Final Series will be;
	Match A: Semi Final 1 The highest placed team versus the 2nd placed team.

	Extra time will be;
	(a) G11 to G12 x 10 minutes each way.
	(b) G13 and Over x 15 minutes each way.
	When the full amount of extra time is completed (Golden Goal does not apply) the team with the higher goal score is the winner. If the match is still a draw at this time kicks will be taken from the penalty spot until a result is reached in accordance with FIFA rules.
4.14	The winner of the Grand final will be declared Premiers. The Minor Premiers of Division 1 in applicable age groups will represent Bankstown in the Football NSW Champion of Champions. However, BDAFA reserves the right to nominate another team if the Minor Premiers are unable to fulfill this commitment or if they are deemed unsuitable to represent Bankstown District and/or have a poor disciplinary record in the current season in any BDAFA or FNSW sanctioned competitions.

6	Grading
6.1	The Competition Secretary will seek to form a Grading Committee to assist with the grading process. The Grading Committee (GC) may grade any team at any time into a division of an age group in which such team is eligible to play.
6.2	Teams finishing the season as Premiers and/or Minor Premiers of each division will be promoted one grade in the following season. Should Premiers and Minor Premiers be the same team, the second placed team in the Premiership Rounds will also be promoted. Teams finishing the season last and second last of each division will be relegated one grade in the following season. This is subject to relevant divisions being available. (Where the number of divisions in an age group is reduced, teams in the lowest & second lowest division will be graded higher according to their previous years finishing position, previous grade and information contained on the grading sheet).
6.3	BDAFA will provide a grading proposal listing the division in which teams will be placed for the following season. This proposal will be printed in the BDAFA Annual Report for the current season.
6.4	For the purpose of grading, each Club will provide the Grading Committee with two (2) Grading Sheets for each team it has nominated for the Premiership. An example of the grading sheet is Form A to these By-Laws. Grading Sheets are to be completed by the club to the GC satisfaction. If a Club fails to satisfactorily complete their Grading Sheets by the date set by the GC, the club will be fined \$25 for each late or incomplete Grading Sheet. If all information as required is not included, the GC reserves the right not to grade the team in the competition.
6.5	Age Groups will be decided by the age the players attained during the current calendar year. Refer by-law 3.9. Justification of all appeals must be in writing on Club letterhead and signed by the Club Secretary. First three (3) games will be monitored and taken into account of clubs appeal.
6.8	A minimum number of 9 players must be nominated on each grading sheet for competitive grades.
6.8a	"For small sided football, the minimum number of players nominated on each grading sheet will be the number of players who take the field in that age group for one team (eg; 4 players for 4v4)
6.9	Players listed on the Grading Sheet for the purposes of Grading must be the players used on the registration sheet to register the team. Players can only be listed on one grading sheet. Once a player is listed on a grading sheet they cannot be transferred to another team without MC permission. Failure to obey this By-Law will result in that club being fined \$50 and club must provide evidence why team should be registered. (Excludes Non Competitive).
6.10	Requests for varied game times or dates for religious observances must be submitted to BDAFA with that Club's or team's grading documentation at the

	beginning of the season. Any requests submitted after the first round of the draw is published may be denied by the MC.
